

Notes On Giro

1. Your Giro application is only effective when the statement "Amount will be deducted from ..." appears on your bill.
2. Please maintain sufficient funds in your bank account for deduction on the due date.
3. Your bank statement will show the deduction.
4. The bank will deduct the amount as shown on your bill if you do not set a limit for the deduction. If a limit is set, it must cover all your telephone call charges, subscriptions and any other services, including GST.
5. If the amount on you bill exceeds the limit, no deduction will be made from your bank. You will then need to pay your bill by cash/cheque before the due date.
6. Please call us at least 5 working days before the bill due date if you wish to stop deduction for a bill.
7. Besides your personal or your company's telecommunication bills, you can also pay for another party e.g. your parent or relative's bills through your bank account. Please state his or her name and address, bill account number and service number on the Giro form.
8. Please call us at 6324 1551 to find out more about Giro.
